Subject:- Proposals for retrenching the posts of
(1) Controller of Civil Supplies and
(2) the Additional Director of Food Supplies.

The post of Controller, Civil Supplies is outside the cadre of Deputy Commissioners. It is at present held by Sri M.K. Appajappa, Deputy Commissioner and as Controller of Civil Supplies, Sri Appajappa is drawing his grade pay ext as Deputy Commissioner plus an allowance of Rs.200/- per mensem. The work in the Civil Supplies Department has now come to a shape, and there may not, therefore, be any need to continue to have an officer of the grade of a Deputy Commissioner in charge of the Department. It may, perhaps, be attached to one of the Heads of Departments, preferably the Director of Food Supplies and the post of Controller abolished.

The appointment of Additional Director of Food Supplies is now held by Janab Syed Abdul Khader, Deputy Commissioner. As Additional Director, he is in receipt of an allowance of Rs.150/- in addition to his grade pay as Deputy Commissioner. This appointment also may, perhaps, be abolished.

These two proposals, which are made in the interests of economy and which can perhaps be effected without any loss of efficiency in the Departments concerned, are for consideration.

The Home Minister has agreed to the retrenchment of the post of Controller of Civil Supplies and has suggested that the question of abolishing the post of Additional Director of Food Supplies needs examination.

When the file was put up to the Chief Minister, he minuted as follows:-

"The opinion of the Director of Food Supplies may be obtained immediately".

May be considered at a Council meeting very early".

(Contd.)

The Director of Food Supplies who was consulted semi-officially has agreed to the retrenchment of the post of Additional Director of Food Supplies. He has also agreed to take over the work connected with the Civil Supplies, but has suggested that in view of the substantial increase of work and responsibilities as well as savings effected by abolishing the two posts of the grade of Deputy Commissioner, the question of sanctioning a suitable allowance to him for the work may be kept in view.

The matter is for consideration at a meeting of the Council.

Mr. K. GURU DUTT, B.A.,
[illegible]ctor of Food Supplies in Mysore.

BANGALORE,
Dated 1st July 1949.

D. No. C1-7615/48-49
IMMEDIATE & CONFIDENTIAL.

Dear Sir,

With reference to your D.O.letter No.10689/C.B. dated the 29th instant calling for my opinion regarding the abolition of the posts of (1)Controller of Civil Supplies, and (2) Additional Director of Food Supplies and the transfer of the work of Civil Supplies to my charge, I wish to state as follows:-

The abolition of the post of Additional Director of Food Supplies will mean a substantial addition of routine work to me, and as Government is aware, the next six months will be strenuous and anxious from the food standpoint. You will appreciate this as you have personal knowledge of the volume of work in my Office. I would however agree as a measure of economy to the retrenchment of the post of Additional Director of Food Supplies.

In these circumstances, if the Government should tack on the work of Civil Supplies to me, it will mean a heavy additional burden and responsibil ty to me, even granting that the work connected with Civil Supplies is not at present so heavy as it used to be once. Personally, I would not welcome it as my health has not been good of late. As you may be aware I had applied as long back as January 1948 for some privilege leave on grounds of health but the matter was "shelved". It is now five years since I have had any leave. Anyhow, apart from these personal considerations, if the Government should still decide to add on the work to me, I do hope that the substantial increase of work and responsibility to me, as well as the savings effected by abolishing two posts of the grade of Deputy Commissionerswill be kept in view and a suitable allowance sanctioned for the work. I must add that I am grateful to the Government for showing me this courtesy of consulting me beforehand.

Yours sincerely,

K. G. Dutt

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

G. O. No. 3621-81—C. B. 162-43-1, dated 6th April 1944.

Controller of Civil Supplies.

Sanctions the appointment of the —— for the administration and enforcement of control orders.

ORDER No. 3621-81—C. B. 162-43-1, DATED BANGALORE THE 6TH APRIL 1944.

Owing to conditions created by the war, Government have issued from time to time a number of Control Orders, following those issued by the Government of India under the Defence of India Rules. Nearly 44 control orders (apart from those relating to Food Grains) are now in force in the State. At present, the power for administering most of these orders is vested in the Director of Industries and Commerce, who is finding it difficult to cope with the work in addition to the normal duties of his office, which are by themselves heavy and multifarious. It is therefore considered necessary to post a senior officer of the status of a Deputy Commissioner possessing business experience to devote his full time and attention to this work. The officer selected will be entrusted with the administration and enforcement of all the Control Orders except those relating to food, silk, motor tyres, tubes and spare parts and house rent.

The necessary staff, which would include the staff at present employed on this work in the office of the Director of Industries and Commerce and the Iron and Steel Controller, with suitable additions, will be placed at the disposal of this officer.

Government are accordingly pleased to sanction the appointment of an officer designated the Controller of Civil Supplies, with the rank and status of a Deputy Commissioner for the administration and enforcement of control orders referred to above for a period of one year in the first instance. Separate notification will issue appointing the Controller of Civil Supplies.

Government consider it desirable to constitute suitable Advisory Committees to advise and help the Controller in regard to the working of the different controls. The Controller is requested to submit proposals in the matter at an early date.
